---

## SCHOOL OF BUSINESS + MEDIA

### Associate Certificate

Broadcast and Digital Journalism  
Computerized Accounting  
Digital Marketing Strategy  
Financial Management [Financial Planning]  
Graphic Design  
Medical Office Assistant  
Mobile App Tools  
Non-profit Management  
Radio Arts and Entertainment  
Video Production and Editing

### Certificate

Advanced Business Management  
Advanced Human Resource Management  
Advanced Marketing Management  
Business Management  
[Certificate and Advanced Diploma]  
Financial Management [2 options]  
Graphic Design  
Human Resource Management  
International Trade and Transportation Logistics  
Marketing Management  
[6 options—Assoc. Certificate and Certificate]  
Media Techniques and Marketing Communications  
Media Techniques for Business  
Operations Management [4 options]  
Quality and Process Management  
Sustainable Event Management

### Diploma

Accounting  
Business Administration [5 options]  
Finance  
Financial Planning  
Professional Accounting Advanced

### Bachelor's Degree

Accounting  
Business Administration

---

## SCHOOL OF COMPUTING AND ACADEMIC STUDIES

### Certificate

Applied Data Analytics  
Computer Systems

### Advanced Certificate

Forensic Investigation [4 options]

### Diploma

Computer Systems

### Bachelor's Degree

Applied Computer Science

- Database
- Human Computer Interface
- Network Security Applications Development
- Wireless and Mobile Applications Development

Forensic Investigation [2 options]

---

## SCHOOL OF ENERGY

### Associate Certificate

Mechanical Systems

### Bachelor's Degree

Manufacturing

### Master's Degree

Smart Grid Systems and Technologies

---

## SCHOOL OF CONSTRUCTION AND THE ENVIRONMENT

### Associate Certificate

Construction Operations  
Hydronic Technician  
Kitchen & Bath Design

### Certificate

Architectural and Building Technology  
Civil Technology  
Construction Estimating  
Construction Supervision

### Advanced Certificate

Automated Controls Installation and Maintenance  
Building Controls & Energy Management  
Geographic Information Systems  
Sustainable Energy Management  
Renewable Energy Electrical Systems  
Installation & Maintenance

### Diploma

Interior Design  
Residential Interiors

### Advanced Diploma

Geographic Information Systems

### Bachelor's Degree

Construction Management  
Environmental Engineering

### Master's Degree

Building Engineering/Building Science  
Building Science  
Ecological Restoration

---

## SCHOOL OF HEALTH SCIENCE

### Certificate

Advanced Safety Management

### Advanced Certificate

Health Leadership

### Bachelor's Degree

Specialty Nursing [12 options]

---

## SCHOOL OF TRANSPORTATION

### Associate Certificate

Airport Operations

---

## Study Abroad

- For university students to study one or two terms at BCIT

# REGULAR CREDENTIAL

FOR ACCELERATED STUDY.

---

## DIPLOMAS

### School of Business + Media

#### Business

Accounting  
Business Information Technology Management  
Business Management  
Business Operations Management  
Finance  
Financial Planning  
General Insurance and Risk Management  
Global Trade and Transportation Management  
Human Resource Management  
Marketing Management

- Digital Marketing and Brand Strategies
- Entrepreneurship
- Professional Sales
- Tourism Management
- Professional Real Estate

Professional Accounting (Advanced Diploma)  
Sustainable Business Leadership (Advanced Diploma)  
Technical Arts (Advanced Diploma)

#### Media

Broadcast and Online Journalism  
Radio Arts and Entertainment  
Television and Video Production

#### Digital Design

3D Modelling, Art and Animation  
Graphic Design [Certificate]  
Digital Design and Development  
Graphic Communication Technology Management  
New Media Design and Web Development

### School of Computing and Academic Studies

Computer Information Systems Administration  
Computer Information Technology  
Computer Systems Technology  
Full-Stack Web Development  
Front-End Web Developer [Certificate]  
Office Administrator with Technology [Certificate]  
Software Systems Developer [Certificate]  
Technology Support Professional [Certificate]

### School of Construction and the Environment

Architectural and Building Technology  
Civil Engineering  
Fish, Wildlife and Recreation  
Forest and Natural Areas Management

Geographic Information Systems [Advanced Diploma]  
Geomatics Engineering Technology  
Interior Design  
Mineral Exploration and Mining Technology

### School of Energy

Chemical and Environmental Technology  
Digital Communications and Wireless Technologies  
Electrical and Computer Engineering Technology  
Industrial Instrumentation and Process Control Technician  
Industrial Network Cybersecurity [Joint program with School of Computing]  
Mechanical Engineering Technology  
Mechatronics and Robotics

### School of Health Sciences

Biomedical Engineering Technology  
Food Technology  
Occupational Health and Safety

### School of Transportation

Aircraft Maintenance Engineer

- Category E—Electronics
- Category M—Maintenance

Airline and Flight Operations Commercial Pilot  
Aviation Management and Operations  
Automotive Service Technician and Operations  
Heavy Duty Truck Technology

---

## BACHELOR'S DEGREES

### School of Business + Media

Accounting  
Business Administration

### School of Computing and Academic Studies

Applied Computer Science

- Games Development
- Network Security Applications Development

Forensic Investigation—Digital Forensics and Cybersecurity

### School of Construction and the Environment

Architectural Science  
Civil Engineering  
Construction Management  
Ecological Restoration  
Environmental Engineering  
Geographic Information Systems

Geomatics  
Interior Design  
Mining and Mineral Resource Engineering

### School of Energy

Electrical Engineering
